

Sacramento Black Chamber

Young Leadership Collaborative

Mentor Application Form

The Chamber in partnership with a range of regional partners is proud to provide a mentorship component as a part of the Young Leader Collaborative. The YLC provides a signature training ground to produce and support our next generation of leaders. The effort will provide scholars in the Sacramento Region with opportunities to learn from local leaders, business owners, and entrepreneurs and will equip YLC scholars with critical skills essential for economic empowerment and career mobility. Please assist us by garnering your interest by completing the short interest survey below.
